

## Electrical Configuration of Feyvan Automatic Gantry Palletizer

| No. | Component                 | Specification / Type | Brand                    |
|-----|---------------------------|----------------------|--------------------------|
| 1   | PLC                       | Germany              | Siemens                  |
| 2   | Contactora                | Germany              | Siemens                  |
| 3   | Touchscreen HMI           | China                | Kunlun Tongtai           |
| 4   | Inverter / VFD            | France               | Schneider                |
| 5   | Intermediate Relay        | France               | Schneider                |
| 6   | Miniature Circuit Breaker | France               | Schneider                |
| 7   | Solenoid Valve            | China                | Airtac                   |
| 8   | Pneumatic Cylinder        | China                | Airtac                   |
| 9   | Proximity Sensor          | Japan                | Omron                    |
| 10  | Photoelectric Sensor      | Japan                | Omron                    |
| 11  | Bearing                   | Japan                | NSK                      |
| 12  | Roller                    | China                | Dema                     |
| 13  | Drive Motor               | China                | Tongyu                   |
| 14  | Switch Power Supply       | China                | Mean Well (Taiwan)       |
| 15  | Main Frame / Rack         | China                | Cold-rolled Carbon Steel |

**Company Name :** Feyvan Packing Machinery Co., Ltd.  
**Address :** Jinggu Manufacture Park, No. 3 Lezhong Road, Suzhou City, Jiangsu Province
